

2015 Funding Members

Following are the names of the funding partners who have contributed to the AUPRF Program in 2015. The forward thinking leadership and insight provided by these organizations allow for science and research for responsible resource development while mitigating environmental and human health effects through targeted innovation and collaboration. We are proud to work with these companies who have walked the talk as stewards of the environment.

1506928 Alberta Ltd.	Dark Warrior Resources Ltd.	Luxur Resources Inc.	Scavenger Energy Gp Inc.
