

Other Metal Projects

2019 Finalization of Research and Preliminary Selenium Soil Quality Guideline Derivation

- 2019 Event Presentation – May 2, 2019
- 2020 Update

2016 Groundwater Metals Associated with Oilfield Wellsites

- 2018 Wellsite Groundwater Metals – Final Report
- 2018 Wellsite Groundwater Metals – Best Management Practices
- 2018 Wellsite Groundwater Metals – Information Letter

2015 Soil Quality Guidelines for Selected Trace Metals

- 2016 MEMS_Risk Based Soil Guidelines for Trace Metals_Presentation
- Soil Quality Guidelines for Selected Trace Metals – Draft Best Practices Report March 2016

2015 Background Metals Database

- 2016 MEMS_Background Metals in Soil

2013-2018 Development of EcoContact Soil Selenium Guidelines

- 2018 Report
- 2016 AITF and EQM_Selenium Update Presentation

- 2014 AITF_Selenium Presentation
- 2014 AITF and EQM_Development of EcoContact Soil Selenium Guideline

2013 Development of a Reduced Analytical Suite of Upstream Oilfield Metals for Groundwater Monitoring

- 2014 MEMS_Metal in Groundwater Presentation
- 2015 MEMS_Development of a Reduced Analytical Suite of Upstream Oilfield Metals for Groundwater Monitoring

2013 Development of risk-based soil quality guidelines for selected trace metals

- 2014 MEMS_Molybdenum Soil Guideline

2006 Ecotoxicity Evaluation of Composted Site and Reference Soils Contaminated Predominantly with PHCs and Arsenic

- 2006 Stantec_ECOTOXICITY EVALUATION OF SOILS CONTAMINATED WITH PHCS AND ARSENIC
- 2006 WorleyParsons_Bioremediation of F3 Presentation

2002 Process Chemicals and Metal Issues
